Know the obvious signs? These behaviors undermine everyone's success

**Obstructionism:** Deliberate delays and preventing a process or change for the purpose of advancing power and control.

**Deliberate Deception:** Lying about a person or their performance to achieve a goal. The goal is not for the greater good – but to advance power and control.

**Scapegoating:** Placing blame on a person as a substitute for someone else. Sometimes because the person you are really targeting has more power. As a means to hurt them, you target people close to them or their appointees.

Bullying is not a leadership style - These behaviors are toxic and undermine the fabric of our democracy. True leadership that benefits everyone allows processes to work.

It's not what you say it's what you do that matters
